

2.6 – Student Performance and Learning Outcomes (2018-2019)

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

| For all programs : B.Ed. & M.Ed. | |
|----------------------------------|--|
| Program Outcomes | The development of knowledge and skill in the field of teacher education and training during the entire two-year period of B.Ed. and M.Ed. program. The programs are designed to generate knowledge and skills in the students to perform better in the real world of teaching and learning. |
| Program Specific Outcomes | The students who will successfully complete the programs (B.Ed. and M.Ed.) can perform their functions as teachers effectively in the classrooms in future with the objective for quality education. |
| Course Outcomes | The courses are designed as per curricular constructed by the affiliating university designed for the students to achieve their goals for which the courses have been prescribed. The students will achieve their goals and acquire their knowledge up to the level both in their respective pedagogical subjects and other subjects relating to teaching techniques and strategies. |
